

VOLUNTEER APPLICATION

When you volunteer for a committee with the Colorado Association of Nurse Anesthetists, it gives you the opportunity to gain valuable experience, meet new people, take-away new ideas, develop fresh skills and make a contribution to your industry, your profession and your community. This is a great way to help build your résumé and give something back to the profession. Most importantly, it's fun!

Members are highly encouraged to sign up for at least one committee. Meetings are held as determined by the Committee Chair on an as-needed basis.

- You must commit to attending conference calls/meetings of your committee.
- You must complete tasks/projects for which you volunteer for the committee.
- If your committee is involved with particular programs, show your support by participating in the programs
- Committee members are expected to serve for at least one year.
- Committee service is strictly on a volunteer basis.
- You must be an active or affiliate member in good standing.

Committees:

Continuing Education: This committee works on identifying interests and needs of ALL members and securing speakers for our twice-yearly educational meetings. Working with the chair to create interesting programs and valuable experiences for membership. This is a particularly good fit for CRNAs who do not enjoy the political arena.

Government Relations: For those who like a more active role, the Government Relations committee needs people to monitor healthcare bills, attend meetings and coordinate visits to legislators. We'll teach you how!

Political Action: If you're good at asking for money, the Political Action Committee needs your help to fund raise so we can support CRNA-friendly state candidates for public office.

Public Relations: The Public Relations Committee needs enthusiastic CRNAs with innovative ideas to present our best professional face to our peers, the public, our employers and our patients.
